**THE
"Double-D"
PROMISE**

Service. Savings. Availability.

The Discount Drainage Promise is built on the core values of Service, Savings and Availability. To us, these are more than just words; they represent who we are and the goals we strive to attain each and every day. This means that you, our customer, will always be treated with the courtesy and respect you deserve. When you call Discount Drainage, you can count on us to deliver superior savings and the best value on the area's largest stock of drainage supplies. From our friendly and knowledgeable staff, to our free, same-day delivery, we promise to do our best and work our hardest for you and your company. After serving thousands of happy customers for over 20 years, we believe that these values have been the key to our success. It may sound simple, but we're proud to say that we are the home of the "Double-D" Promise.

ICC FLOWTECH™

FLOWTECH™ DRAINAGE SYSTEMS REPLACE THE NEED FOR GRAVEL IN ALL DRAINAGE APPLICATIONS.

Why break your back moving tons of gravel?

Properties

- Heavy duty
- High flow channels
- Consistent shape
- Reduced labor
- Reduces the threat of mold and mildew
- Easily installed to conform to any configuration
- Redistributes the excess/surface water and returns it to the aquifer
- Each 10' unit has the capacity to hold up to 30 gallons of water and quickly/efficiently distributes back into the soil.

Technically engineered gravel

- Long life - over 100 years
- High flow channels
- Does not compact
- Engineered shape

No messy gravel clean-up

- Different shapes
- Gravel contains fines
- Compacts easily
- Reduces flow channels

Use Flowtech™ not your back. Flowtech™, the most advanced drainage system on the market.

- 1-12" Diameter X 10' section replaces over 1000 lbs of gravel
- Installed in minutes with one man
- 1.8 times more efficient than gravel
- Holds up to 30 gallons of water
- High density PE pipe
